dba: Maria Droste Counseling Center

Job Description

Title: Integrated Behavioral Health Care Clinician at Mercy Housing
(possibility of 40 hours/wk or 20 hours/wk)

Reports To: Integrated Care Director at Maria Droste Counseling Center

This position is part of the Maria Droste Counseling Center Fellowship—a 2-year program that supports and facilitates the ongoing development of micro, mezzo and macro skills of mental health professionals working toward licensure in the fields of Clinical or Counseling Psychology, Social Work, or Marriage & Family Therapy.

Qualifications:

● MA or doctorate degree in Clinical or Counseling Psychology, Social Work, or Marriage & Family Therapy and activity working toward certification and licensure in state of Colorado (CAC, LPC, LCSW, LP, LMFT).
● Registered with DORA.
● Significant interest in substance use disorders and training in this area. Support with certification toward CAC.
● Interest in providing counseling, crisis intervention, and substance use disorder treatment to adult clients with chronic health conditions.
● Experience providing behavioral health-care services in a housing setting or experience coordinating care with other health care and para-professionals preferred.
● Sensitivity to and committed growth toward multicultural inclusivity and healthcare equity as a major focus of services provided.
● Passion for working in a non-profit setting, developing new programs and service lines, nurturing clinicians and advancing the mental health services for underserved populations.
● Outgoing, innovative clinicians who are comfortable with outreach efforts required.
● Strong documentation skills and experience working with EHR systems preferred.
● Interest in, and commitment to, being part of Fellowship and engaging in required Fellowship activities (groups, supervision, training).

2019
Maria Droste Counseling Center collaborates with partner sites in the community to bring mental health services to where people already live and receive care. This position seeks to provide a clinician at Mercy Housing.

Maria Droste Counseling Center partners with Mercy Housing to develop sustainable and quality Integrated Behavioral Health Care services within an energetic and diverse housing program. The clinician would be employed by Maria Droste, serve primarily at Mercy Housing, and report to leadership in both settings. Candidates with interest/aptitude/eligible experiences have potential for full-time employment, incorporating other clinical and/or administrative roles in Maria Droste’s dynamic Integrated Behavioral Health Program.

Maria Droste Counseling Center partners with Mercy Housing to provide onsite behavioral health screens, counseling, and psychoeducation to residents at 5 locations. Focus of services includes youth and families and co-occurring substance use and mental health concerns.

The clinician will work closely with Resident Service Coordinators and project staff to raise awareness of and engagement in behavioral health counseling services. Activities will include:

- Outreach
- Psychoeducational events and groups
- Individual counseling with children, adults, and families. Please note: Each fellow position has clinical hour and billing requirements and monthly documentation and follow-up with program lead.
- Specific supervisory support and training will be provided in the area of substance use, as needed.

Qualified applicants will be able to develop strong therapeutic relationships with a wide range of populations and be adept at establishing effective relationships despite significant barriers to service. Please note this a grant funded position with several years remaining on the grant.

**Hours, compensation and benefits:**

- Competitive non-profit salary
- Paid time off, 403b, 100% health benefits
- Professional development
- Regular group and individual clinical supervision for candidates seeking licensure
