Maria Droste Services of Colorado, Inc.
dba: Maria Droste Counseling Center

Job Description

Title: Integrated Care Clinical Fellow at Rose Andom Center
(40 hours/wk)

Reports to: Integrated Care Director at Maria Droste Counseling Center

This position is part of the Maria Droste Counseling Center Fellowship—a 2-year program that supports and facilitates the ongoing development of micro, mezzo and macro skills of mental health professionals working toward licensure in the fields of Clinical or Counseling Psychology, Social Work, or Marriage & Family Therapy.

Job/Fellow Qualifications:

- MA or doctorate degree in Clinical or Counseling Psychology, Social Work, or Marriage & Family Therapy and activity working toward certification and licensure in state of Colorado (CAC, LPC, LCSW, LP, LMFT).
- Registered with DORA.
- Experience working with trauma and training in trauma-informed care.
- Direct clinical experience with, and training in, underserved populations.
- Interest and experience in early childhood and desire to work with families.
- Interest in, and commitment to, being part of Fellowship and engaging in required Fellowship activities (groups, supervision, training).
- Experience/Strong potential to multitask, organize, work autonomously to develop creative solutions to problems, communicate and teach complex concepts, lead others, and demonstrate flexibility and tolerance of ambiguity in a growing program.
- Commitment and sensitivity to multicultural awareness, humility, and inclusiveness.
- Passion for working in a non-profit setting, developing new programs and service lines, advancing the mental health services for underserved populations, and flexibility in clinical placement and populations served in order to improve access where needed.
- Experience supervising or managing employees or strong potential to lead and manage interns in a clinical setting.
- Bilingual ability desired.

Maria Droste Counseling Center collaborates with partner sites in the community to bring mental health services to where people already live and receive care. This position seeks to provide a clinician at Rose Andom Center (RAC).
Job tasks include but are not limited to:

- Provide direct clinical services to adults, children and families (Please note: each fellow position has clinical hour and billing requirements and monthly documentation and follow-up with program lead)
- Manage referral flow in order to provide assessments, determine appropriateness of fit, and assign interns cases
- Collaborate with on-site partners to provide services in early childhood and to families
- Provide consultation and support to interns on-site
- Provide training, onboarding, and shadowing to interns/fellows
- Coordinate with partner organizations on-site, including Motherwise, DU, Project Safegurad, Safehouse Denver, etc. in order to collaborate and maintain partner relationships
- Represent MDCC at monthly operations team meetings at RAC to advocate for agency needs and collaborate with RAC and partners
- Coordinate with Access Center at MDCC in order to streamline referrals to and from MDCC/RAC
- Work with site liaison and intake specialists at Rose Andom in order to improve upon and maintain efficient referral flow and systems

Hours, compensation and benefits:

- Competitive non-profit salary
- Paid time off, 403b, 100% health benefits
- Professional development
- Regular group and individual clinical supervision for candidates seeking licensure
